World Day of the Poor 2023, Sunday 19th November

The theme for World Day of the Poor 2023 is from the Book of Tobit: "Do not turn your face away from anyone who is poor." (Tob 4:7). "When we encounter a poor person, we cannot look away, for that would prevent us from encountering the face of the Lord Jesus," Pope Francis wrote. The parable "is not simply a story from the past; it continues to challenge each of us in the here and now of our daily lives," he said. "It is easy to delegate charity to others, yet the calling of every Christian is to become personally involved." A resource compiled by the Congregation of the Holy Spirit is attached and Pope Francis' message is available
