Lent Is What We Do

5th Anniv. of Covid

This week we mark the 5th Anniversary of the outbreak of the Covid 19 Coronavirus in March '20. Once again we keep in our thoughts and prayers and remember in a special way this weekend, loved ones taken from us because of the Coronavirus and their families who suffered great loss and indeed continue to grieve such great loss. Once again too, we remember and express our gratitude for the generosity and selflessness of so many good people who went far above and beyond the call of duty in their efforts to keep us all safe and secure during that very difficult time.
