Message from Bishop Denis re. Department of Education Survey on School Patronage

The current Department of Education survey on the future of patronage in the primary sector is important in that it will shape the discussion on primary school divesting for the years to come throughout the Republic of Ireland.

It is important that people who wish for a change in patronage would have their voice heard. It is equally important that people who wish for a Catholic Education for their children and for parents who would wish for Sacramental preparation within school would have their voice heard also. For these reasons and to ensure that an accurate picture emerges, please participate in this survey if you are a parent or a prospective parent of a primary school student.

The survey can be accessed
at <https://www.gov.ie/en/department-of-education/campaigns/primary-school-survey/>

Note from Niamh Bright, Social Club Comm. Laois Co.Co. Annual Prayer Service to remember deceased staff and members of Laois Co. People of all faiths are welcome to attend to remember colleagues and friends. We look forward to seeing you on the evening.
