"Their Lives Enriched Us". Vol. 2 Out Now.

Last year I prepared and published a little booklet entitled "Their Lives Enriched Us" containing the names of our loved ones who "Entered the fullness of Life" from Jan. '23 to June '24, details of which I extracted from my weekly Newsletters. Just today, Fri. 20th June I have published Vol. 2 of "Their Lives Enriched Us" containing the names of our loves ones who have died since our Cemetery Mass last year. Once again, this has been a labour of love for me. I have printed and prepared 500 copies of this little booklet and have given them as a gift to Mountrath Cemetery Committee to be available on the evening of our Cemetery Mass. Any contributions received from the distribution of this little booklet will be for the use of Mountrath Cemetery Committee, who quietly and painstakingly look after our beautiful Cemetery here in Mountrath the whole year round. They truly deserve (and indeed) totally rely on our generous support to be able to maintain our Cemetery in a manner we have come to expect (and, if I may say, often times, in a manner we sometimes just take for granted)

Arranging Anniversary Mass or Month's Mind Mass

The traditional way of arranging an Anniversary Mass remembrance was by visiting the Sacristy before or after Mass and making the necessary arrangement with the priest, who wrote the intention into the Anniversaries Diary, there and then.

However, since Covid this practice has changed.

Arrangements for Anniversary Mass remembrances and Month's Mind Masses are, more often than not, now arranged by email, text message, whatsapp, by phone, among many other ways. Which is great.

On the down-side, it can be quiet difficult to keep track of all these ways. - Sometimes emails can go to folders on the computer other than the main folder and are not seen straight away. The same can apply to text messages and Whatsapp messages. This can cause a problem when I have no knowledge of these emails / messages coming in and are sometimes not detected at the time.

Can I ask you -

if you send me an email, text message or a message on Whatsapp, or any way, other than visiting the Sacristy, requesting an Anniversary Mass remembrance or arrangements for a Month's Mind Mass and don't hear from me or don't see the relevant name / names in the Newsletter,
please give me a call on 087 241 1594

Setting up new Church Cleaning Rota at Ballyfin Church

A very special note of thanks to the loyal people who look after and have looked after the cleaning and care of Ballyfin Church over many years. We are blessed to have so many dedicated people - generous with their time and skills, willing to keep Ballyfin church clean and welcoming at all times.

A number of our veteran helpers have indicated that they would like to take a much deserved break from this task for now.

In light of this I am putting out a call for a new team of church cleaners - If you are already involved in the cleaning of Ballyfin Church and would like to continue or if you would like to get involved at this time - or if you are new to the Parish and would like to get involved in Parish life in a significant and meaningful way and feel that you could devote about an hour a month helping with the cleaning of the church, I ask you to please get in contact with me. If I get a good response I will invite all who respond to a Meeting with a view to putting a new church cleaning team in place. Your involvement in the cleaning and looking after Ballyfin Church and your continued involvement in Ballyfin Parish is much appreciated.

JIM
DEEDS

AUGUST 26—29

Using Scripture, meditation, body and breath work, music and story, Jim will lead us to an awareness of the God whose love is infinite and unconditional, a creative path on which we can find God in the mess of our everyday lives, and reconnect to our inherent goodness.

Jim Deeds, from Belfast, worked for the Diocese of Down and Connor as Assistant Director of the Living Church Office, working extensively in the parishes across his diocese, forming Pastoral Councils, Ministry of Welcome teams and other leadership groups. Jim now works as an author, poet, retreat giver and pastoral worker across Ireland and beyond, often called upon as a public speaker/guest preacher at Novenas, missions etc. He is a regular contributor to BBC Radio Ulster on their Thought for the Day segment and Sunday Sequence programme, discussing all things religious and spiritual. Jim is passionate about creating sacred space where people can pray, relax and come to know the great love God has for all God's creation.

 **ERIC DOWSETT**

Eric has been sharing 'Clearing,' changing the way we view ourselves and our relationship to the environment for over 30 years.

Inspired from an early age by 'memories' of the teachings of the Buddha, Eric's path eventually led him to working 'clearing' environmental energies. The work evolved over time to working with people and subsequently became a tool to use for his own personal growth, for you cannot 'clear' the energy of another if you yourself cannot embrace their issues.

By following this path he was able to move through a lot of his own past conditioning.

Now, the author of 6 books, with countless workshops in his resumé, he has simplified the work to be-ing, rather than do-ing.

Currently living in Switzerland, he has taught all around the world and continues to share his awakening understanding through residential retreats.

HAVE YOU EVER WONDERED WHY SOME BUILDINGS YOU ENTER FEEL IMMEDIATELY COMFORTABLE WHERE OTHERS NOT SO MUCH?

Why you get really tired in some environments, without any apparent cause? Do you ever think it would be nice to 'do' something about the energy in the space, without resorting to time consuming or expensive gadgets or complex rituals?

THEN THIS WEEKEND WILL OPEN DOORS YOU NEVER KNEW EXISTED.

The process of Space Clearing, working with the energies of the environment, earth energies, technological or metaphysical (emotional charge remaining in a space) is simple, powerful and immediate.

Join us in **Mountrath in September** and discover for yourself the power of Space Clearing and make a sustainable difference to the energies of your home or workplace, or the homes of others!
