A November Prayer before Bedtime

O my God,
As the evening falls
I come to you in prayer.
I thank you for being with me
in every moment of this day,
guiding me and protecting me,
keeping me from harm.

On this November night
I bring before you in prayer
all those dear to me who have died.
(Name those for whom you wish to pray)
Remember them God
in your loving kindness.
May they now rest in your eternal peace.

May all of us who still miss them and
grieve for them
find comfort in our belief
that we will one day see them again
in the kingdom of heaven.

I remember in my prayer this night
all those who have died and who have no
one to pray for them.

For these and for our loved ones I pray:

Eternal rest grant unto them, O Lord,
let perpetual light shine upon them.
May they rest in peace. Amen.

All-Ireland Pollinator Plan

Avoid using insecticides, fungicides and herbicides. These potent chemical cocktails are designed to kill various organisms. One of the best things you can do for pollinators is avoid using them. Why: Insecticides have been found to kill, harm, and disorientate pollinators. Herbicides kill the 'weeds' that provide them with important food. www.pollinators.ie/top-ten-ways-to-help-pollinators/

Parish Finances. - A Word of Thank

Thanks for your generous contributions to Parish Funds.

Once again, I want to renew my appreciation and gratitude for the ways in which you have found to support the parish and us, the priests of the parish, over the past year. We are deeply grateful. It has and continues to be a most challenging time for so many; families, self employed, hospitality and so much more. By and large we are not doing too bad, thanks in no small part to your generosity, I wish to acknowledge your support given via the weekly envelopes (2023 boxes are ready for distribution at present). Contributing to the Parish by envelope allows us to keep track of your donations for the whole year and, where possible, (and totally at your discretion) claim the additional 45% back from Revenue under the charity donations scheme at no cost to yourself. If you are not as yet, part of this scheme – and would like more information, please contact me when you get a chance.

Thank you for your continued support and generosity - it is very much appreciated.

Second book of writings of the late Fr John Cummins

Following the 'runaway success' of the first book, the family of Fr John Cummins have issued a second publication in his memory. This new book, also named "My Life in Your Hands", contains more sermons of Fr. John's.

The new publication is an accompaniment to the initial book which contained the sermons for Sundays in Year A of the 3-year liturgical calendar. This second volume contains Fr. John's sermons for Year B and Year C of the church cycle. It also contains reflections for secondary school students, tributes by friends and numerous photographs.

The late Fr. Cummins was known for his good humour and easy manner as well as his preaching skills. As a young priest, he spent five years in Rome studying for his doctorate in Celtic Spirituality. Fr. John spent most of his priestly ministry in Carlow town where he was chaplain in the then Regional College and Administrator in the Cathedral. A native of Newbridge, he earlier served in Naas.

He became PP of Abbeyleix and Ballyroan only 18 months before his death. The homilies of Fr. John are rooted not only in scripture, but also in the everyday issues of contemporary Ireland. They will be useful for personal reflection at any time and will be valued by anyone with an interest in religion and spirituality. "My Life in Your Hands" retails at € 15 and all proceeds after printing costs will be donated to the Diocese of Kildare and Leighlin.

It is available in parish offices throughout the diocese and Woodbine Books Kilcullen and Farrell & Nephew, Newbridge. For further information please see <https://www.kandle.ie/my-life-in-your-hands-sermons-of-the-late-fr-john-cummins/>

Conferences on Key Roles of Catechists and Educational Leaders

This November St Kieran's College is welcoming people who will attend two exciting conferences. The two conferences – one on International Perspectives on Forming Catechists and the second on International Perspectives in Catholic Educational Leadership, are timely and certainly draw together an impressive group of speakers on these topics. These conferences are a collaboration between St Kieran's College and the University of Notre Dame Australia. Catechists will play a key role in our Church in the years to come. Aware of both the importance of this ministry in the life of the Church internationally and of Catholic educational leadership in general everywhere, the Diocese of Ossory will host these Conferences from 28th November -2nd December 2023, in St Kieran's College, Kilkenny. Spaces at both conferences will be limited so please book now by emailing notredameaustralia@stkieranscollege.ie

Community Climate Action Programme (Note from Diocesan Office)

We have been contacted by the Community Climate Action Officer for Carlow Local Authority however there is a similar position in every Local Authority so this information applies to everyone. Funding has been ring fenced (Community Climate Action Programme) by each local authority for carbon reduction initiatives which is a big item on the agenda at the moment. I am attaching a copy of the Powerpoint Presentation for Carlow and the general information is the same for each county. Funding will be available for projects which:

- Reduce or support reduction of greenhouse gases,
 - Increase production of renewable energy,
 - Improve energy efficiency,
 - Improve climate resilience,
- Are nature based projects, enhance biodiversity and climate resilience,
 - Assist with transition to low carbon economy,
- And provide innovative solutions to climate change.

Prayer for Peace

27 October 2023

**O God, Creator of all,
of Abraham, Sarah, Hagar, Isaac, and Ishmael,
hear the cries of your people throughout the world
who hunger for peace and for justice.**

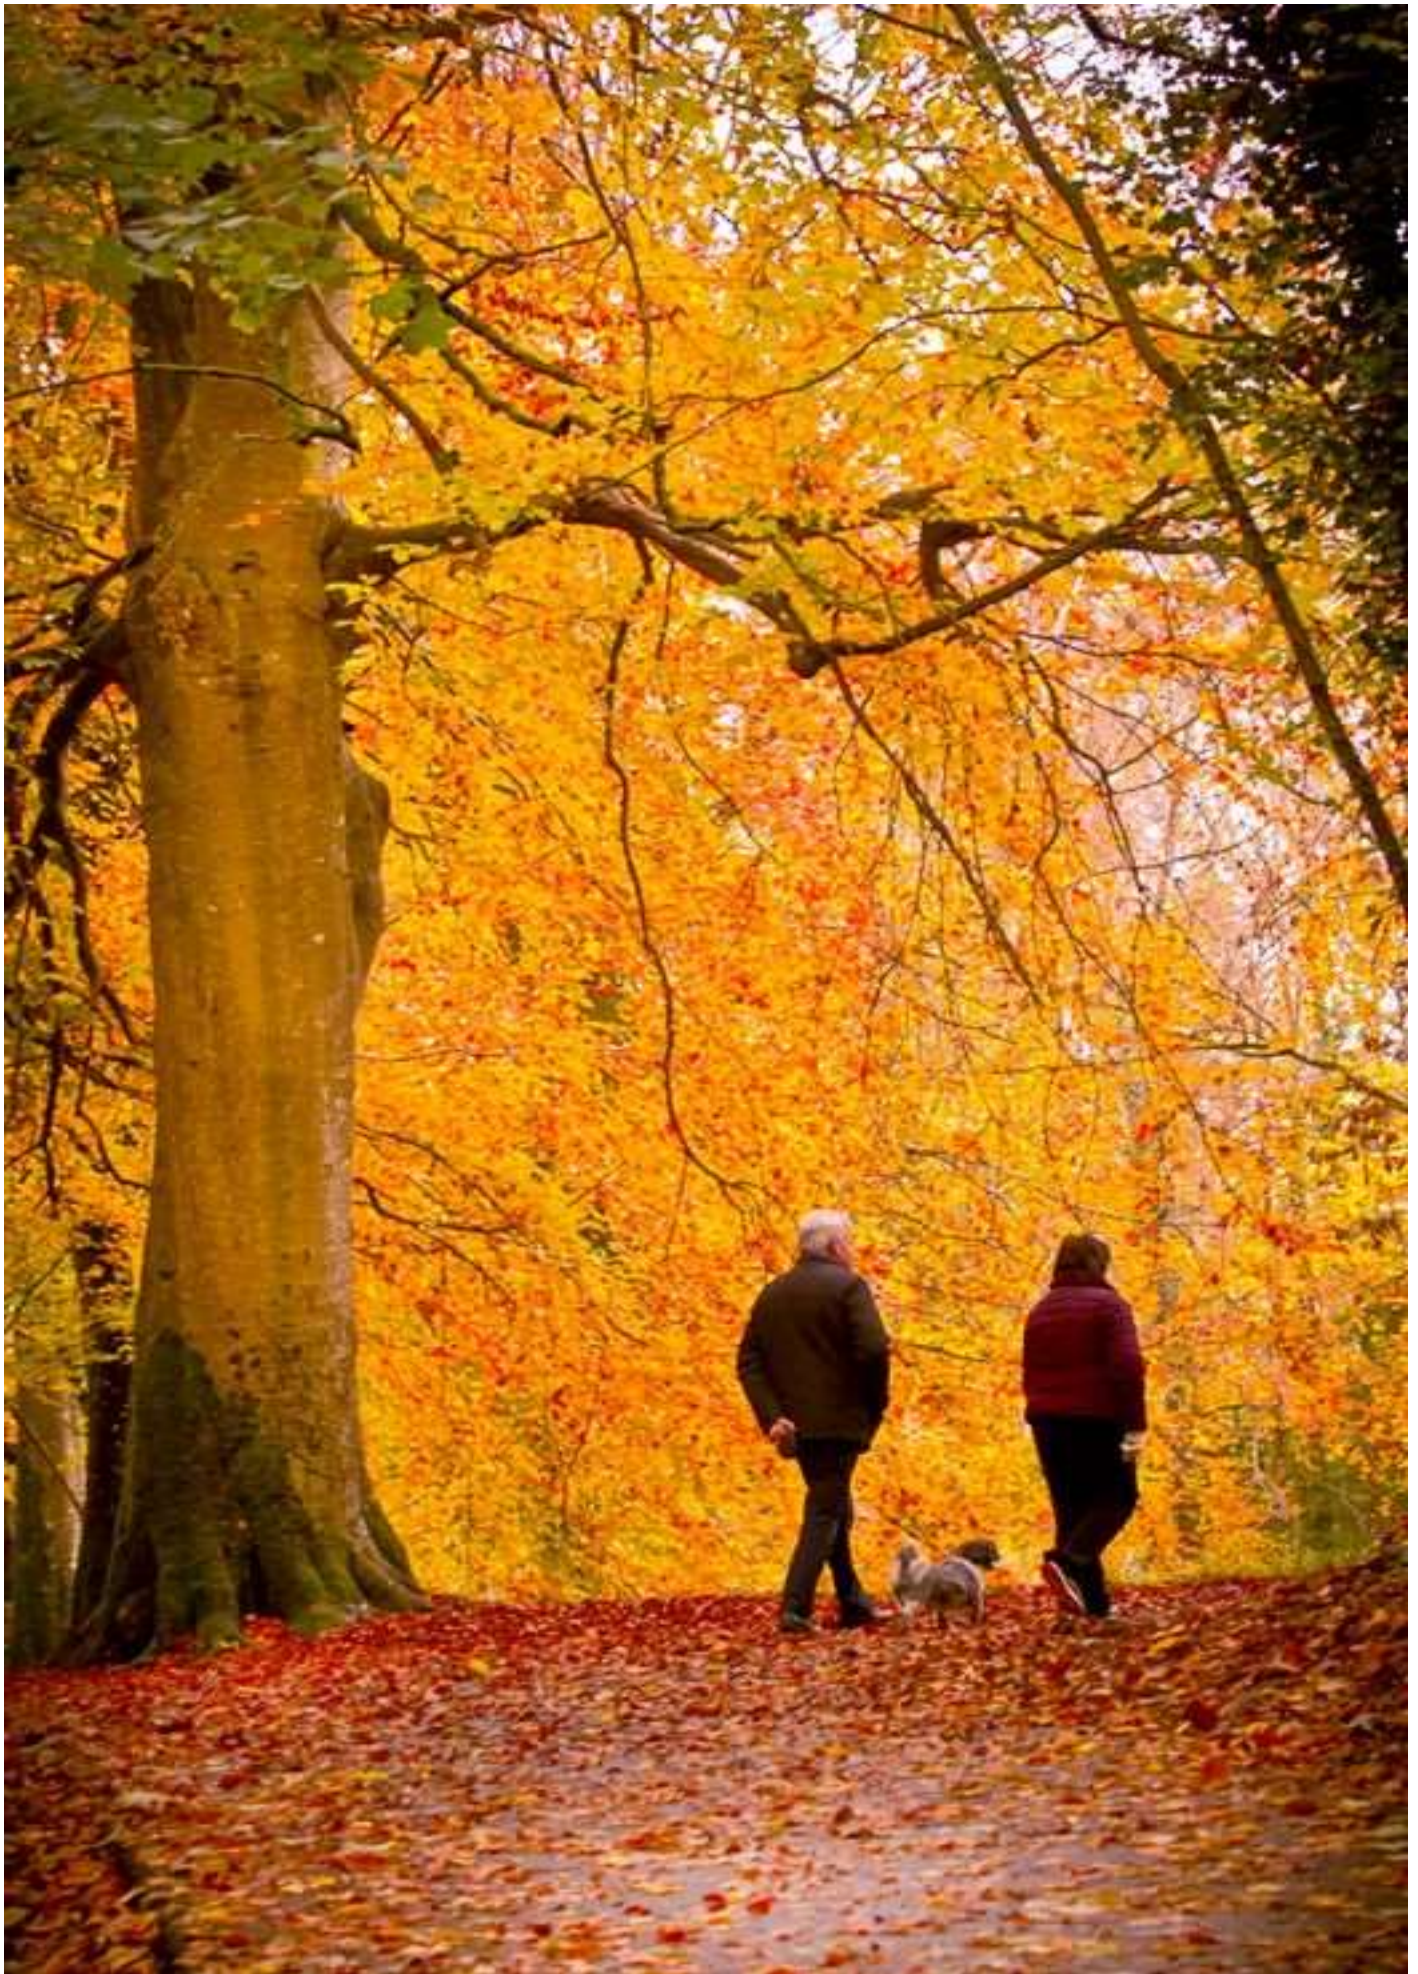

**We pray to you for an end to the violence and injustice
in Israel and the Palestinian territories.**

**We pray that weapons be silenced,
that those who wage violence against the innocent
turn away from the evil of their actions,
and that leaders in the international community and locally
work tirelessly to find a pathway to lasting peace in the Holy Land.**

**God of love,
comfort those who grieve terrible losses, console and heal the injured,
be close to and protect the children and all those living in fear,
give courage to those who have been captured
and strength to their families who await their safe return.**

**God of peace,
rise up the peace makers the world needs,
so that your light may reach and overcome the darkest depths of this conflict
and people will come to know and live in peace, as is your will.**

Amen.

I don't believe time heals everything.

It helps, it does.

After awhile you won't cry about it all the time.

It won't consume your every thought anymore.

You do get better.

You'll laugh,

And smile.

You'll even have a lot of great days.

But it's still there.

You just learn to live with it.

This is how things are now.

So you get used to it.

But,

That doesn't mean it ever goes away.

It's still deep in your soul.

Still makes you cry when you think about it too much.

Still stops you in your tracks when something

reminds you of it.

You'll have those moments

where your heart hurts really bad.

I don't think time heals everything

Sure it gets better,

But it's a scar that never goes away.

A broken bone that still aches on rainy days.
