Changing Gears

Age & Opportunity

Changing Gears

Age & Opportunity are delighted to offer Changing Gears in collaboration with Portlaoise Library this November and December 2026.

Changing Gears is a course designed to boost wellbeing and resilience for those aged 50+ years. It supports people to manage transitions/change in mid to later life. The change may be to do with: retirement, having more free time, bereavement, job-loss, ill health, becoming a carer or relationship breakdown. Its aim is to: help participants to identify what has served them well to date in life, the successes and challenges they have experienced, what supports they have in their lives and what they may need to put in place, and/or discard, for the next stage of life. It aims to lay the foundations for a positive and fulfilling approach to mid/later life.

How does it work?
Changing Gears runs over 5 weeks with weekly sessions of 2 ½ hours. It offers participants time to:

- Develop skills and techniques build resilience and confidence in managing life-changes or transitions
- Reframe change as opportunity with positive options and also challenging negative stereotypes about ageing

Who are Age & Opportunity?
Age & Opportunity is the national organisation creating opportunities that empower older people to enhance individual and community wellbeing through participation in physical activity and recreational sport, arts and creativity, personal development and active citizenship initiatives.

Visit our website: www.ageandopportunity.ie

"I am really enjoying the presentation, the interaction, the musical content and the general dynamic of the class. I look forward to attending the class in The Lexicon every Wednesday. Wishing you every success in your important work in Age & Opportunity"

Teresa, Dublin participant, Changing Gears, March 2025

"A belated thank you for the most enjoyable Changing Gears course. Brian Dooney was a fabulous facilitator, full of energy and enthusiasm with the coursework beautifully put together, especially the writing and music. I so hope you are able to run a Stage Two course."

Clare participant, Changing Gears, February 2026

This course has been funded by the HSE and is free of charge. Participation requires attendance at each of the five sessions.

Age & Opportunity is funded by HSE Sport Ireland / Spórt Éireann arts council / an chomhairle ealaíon funding the arts

Synodal Pathway Update: National Synodal Assembly

Sat, 17th Oct., was a momentous and historic day in the life of the Irish Church in which over a dozen delegates from our Diocese participated. Locally in our parishes there is much to receive from the prayer, listening and discernment of the past five years. The working document for the assembly is still a valuable document for Parishes and a number of accounts and reports from the day can be viewed in the latest news section of www.synod.ie These are important to read alongside the raw figures on each proposal. Our delegates will gather with Bishop Denis on 3rd Nov. to reflect on the assembly and where it is leads us now.

Short Film –
Lives of Mission, Lives of Hope

The Embassy of Ireland to the Holy See is proud to share a short film entitled 'Lives of Mission, Lives of Hope' (30 mins). The film was made by Colm Flynn and specially commissioned by the Embassy with the support of the Department of Foreign Affairs and Trade. Through the voices of Sr. Collette Keane O.P., Sr. Julie Buckley SMR, Sr. Pat Murray CJ and Sr. Mary Barron OLA, we hear first-hand about their lives and work – from the early years in Ireland to their vocations to the religious life, and their work both in Ireland and overseas. These women have been, and continue to be, outstanding advocates for Ireland's values in the world - truly global citizens in some of the world's most difficult places.
