Who Cares ?

Is a new information booklet which aims to support and empower carers of people with cognitive impairment/dementia on their caring journey and help access relevant supports and services that may be required at various times along the route. It also provides information in relation to carer entitlements tax credits and possible agency arrangements that can be put in place in relation to the management of another's affairs.

This Booklet was funded from the National Dementia Office, HSE's Nursing and Midwifery Planning and Development Unit (NMPDU), HSE Mental Health Services; and both Laois and Offaly County Councils, and Laois and Offaly Age Friendly Alliances.

Booklets are available through both the Alzheimer's Society, (087) 3210642, Family Carers Ireland (057) 932 2920 as well as in local libraries and on the HSE and Laois and Offaly County Council websites for those unable to secure copies elsewhere.
