Synod News: Practical Information on our Listening Lent

The K&L Synod Committee is preparing templates for parishes to use in listening sessions during Lent. Parishes are very welcome to join with other parishes in hosting these sessions.

We will also be offering an online survey that we ask parishes to promote during Lent.

Parishioners might be invited to take out their phones at an appropriate point at Mass, perhaps during the homily, and find the link to the survey for use later. While the diocesan committee will host focus groups during Lent, Parishes are also very welcome to identify particular groups they wish to hear from using the template as a tool. The intentional listening that might take place between two people over a cup of coffee will be equally welcome.

A youth listening template will be offered also.

Digital submissions from parishes will be able to be submitted to a dedicated email address

Guidelines for how the submissions can be assembled will also be offered in due course.
